My research concerns the 'hook-up culture'- a modern phenomenon surrounding casual sexual practises. It looks at the effect that mobile dating applications have had upon standards of sexual behaviour and dating. I am interested in the emotions involved in contemporary sexual practises and the attitudes/ norms that have developed because of this culture. I am looking for students aged 18-21 and individuals aged 25-30 who are not in a relationship to take part in a short, casual interview....
