

Call For Participants

Participants Needed for a Study about Emotions

1 month(s) to complete

Cash (max \$150)

Interview

Civitan Bldg, 2213 Elba St,
Durham, NC 27705, USA

Duke University

Duke University Medical Center is conducting a research study to help develop new interventions for people who have difficulty managing emotions.

We are looking for men and women between the ages of 18-65 who are not in psychotherapy, who have difficulties with emotions, and who are interested in a novel intervention combining a psychological skill with brain stimulation.

You may qualify to participate if you
