

# Call For Participants

Perfect parents: trust,  
humility and attachment.

20 min(s) to complete

Prize draw valued at AUD\$20

Online Questionnaire

Online

Charles Darwin University

Our project aims to examine the relationship between individual parenting characteristics and parenting behaviours. The results of this study could indicate which characteristics parents could readily develop to enhance the relationship with their children; additionally, the results of this study may provide insight into which parenting characteristics should be the focus of parenting interventions. All you have to do is answer a quick 20 minute questionnaire!
