Focus groups

Earley Gate, Whiteknights Rd,
Earley, Reading RG6 6BZ, UK

University of Reading

We are looking for volunteers to take part in discussion groups about information materials for flood preparedness. The study is part of a larger PhD project that looks for ways to increase the effectiveness of flood information materials through graphic design.

In the discussion groups, you will be asked to provide your opinion on a series of information materials for flood preparedness, and to discuss whether you would use them and how.
