Macquarie University

We have designed a clinical questionnaire for psychologists to examine what strategies kids & teens use when they feel anxious & hope it will aid in treatment of anxiety disorders. To test & validate our questionnaire, we require parents/caregivers & kids (aged 7-17yrs) to complete a short online questionnaire. We'll also send the same questionnaire again in a few months to test its reliability.

As a thank you, families will receive a \$15 gift voucher and/or feedback (T&C...
