Finding Meaning and Well-being at Work: Your Input Matters

20 min(s) to complete

Prize draw of 2 50\$ amazon vouchers

Online Questionnaire

Online

University of Bolton

This study is aiming to investigate existential concerns in the workplace and their impact on employee well-being. We aim to explore your experiences with existential concerns in the workplace, including your reflections on the meaning and purpose of your work, your sense of freedom and authenticity in decision-making, and your feelings of responsibility towards fulfilling work duties. Additionally, we seek to understand how these concerns impact your motivation, job satisfaction and engagement.
