EEVi- Evaluating the Effectiveness of Visualisation in Cyber-Security

40 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Southampton

Your participation is completely voluntary.

This research is for my PhD Project. I have created a framework to determine and create effective visualisation in Cyber Security. By the means of this survey I wish to see what your opinions are about the framework and resultant analysis.

All data collected will be anonymous, if the participant wants and used only for the purposes of this study.
