Self-service Technology

10 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

Loughborough University

Dear Participant,
Thank you for agreeing to participate in the research project about 'The implication of the transition to an automated airport'.

The purpose of this study is to explore the effect of the implementation of self-service technologies at airports; and the possibility of improving the experience through identifying the key problems.

To fully complete the survey, it will take approximately 10 minutes.
