We are recruiting women who experience difficulties with sexual self-control. If you feel that this describes you, we would like to invite you to complete a survey about your experiences and ways of understanding sexual behaviour. You are eligible to take part if you are a woman aged 18 or over and feel that you addicted to sex, or have been diagnosed as being addicted to sex. To date, most research in this area has focused on men and this is an opportunity for women to share their experiences.
