

Call For Participants

'Catfish' study

10 min(s) to complete

Sincere Gratitude

Interview

Online

University of Leicester

For my dissertation, I am interested in the phenomenon behind 'catfishing', which is when people hide their true identity online. Therefore, I am looking for individuals who have 'catfished' others that would be willing to participate in a short semi-structured interview, conducted through a Skype audio call. If you fit the criteria and are interested in participating in this study, please email me.
