

Call For Participants

Measuring beauty and ugliness

15 min(s) to complete

Sincere Gratitude

Online Experiment

Online

University College London

You are kindly invited to take part in an online experiment involving the rating of beauty or ugliness of faces and buildings.

The main objective of this study is to explore the relationship between our perceptions of beauty and ugliness.

If you decide to participate, you will be shown a series of images of faces and buildings and asked to rate beauty or ugliness on a numerical scale.
