

Call For Participants

Maternal mental health, infant feeding practices, weight trajectories

10 min(s) to complete

Chance to enter a prize draw for amazon vouchers

Online Questionnaire

Online

University of Liverpool

Hello Mums! We are final year students at the University of Liverpool and we are running a study looking at infant feeding practices, maternal mental health and weight gain. If your baby is aged between 6 to 12 months and was born at term gestation (37 weeks or over), please take 10 minutes to complete this online survey …. Your response will be completely anonymous and you will have the chance to win Amazon vouchers after completing the study.
Thank you!
