Examining Factors That Influence Learning From Text Passages

30 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Texas Tyler

The purpose of this research project is to identify the characteristics of undergraduate students that influence their ability to learn effectively from text passages. For this project, you will complete a series of questionnaires, read a brief text passage describing important information regarding Human Immunodeficiency Virus (HIV) and Acquired Immunodeficiency Syndrome (AIDS) and will complete a series of questions designed to assess your understanding of the topic.
