

Call For Participants

Exploring the executive orders' impacts on students in US higher education

45 min(s) to complete

Sincere Gratitude

Interview

Online

University College London

The study aims to improve university services to support this student population (from the 6/7 affected countries in particular, and international students in general), and to contribute to growing research on the affects of discriminatory policies on students.

Interviews can take place via Skype/Facetime, or alternatively face-to-face, at participants' convenience. Data will be anonymised, and participants have the right to withdraw at any time. Please contact for further details.
