Multimedia learning

25 min(s) to complete

£5

Experiment

Gower St, Kings Cross, London
WC1E, UK

University College London

In this study, you will be learning about lightning from a 5-minute PowerPoint presentation and be answering open-ended and close-ended questions related to what you have learned. For this study, we need participants who do NOT know much about meteorology.

The study will take around 25 minutes in total and you will be compensated with £5 for your participation.

The study will take place at the University
