Investigating the Impact of Morphological Awareness in Relation to Reading

30 min(s) to complete

Prize draw of a £50 Love to Shop Voucher

Online Questionnaire

Online

Teesside University

The purpose of this study is to help expand the understanding of Morphological Awareness in explaining differences in reading comprehension between individuals with and without a diagnosis of dyslexia whilst also focusing on other cognitive abilities and language devices to help aid in understanding this better. This research will be conducted online.
