Perception of Mental Health

30 min(s) to complete

Sincere Gratitude

Online Questionnaire

Online

University of Greenwich

This project aims to examine the perception of Mental Health. The questionnaire will include questions regarding perceptions and feelings towards mental illness. You will be asked to complete a questionnaire. The study will last around 30 minutes. To take part you must be 18 or older, not diagnosed with any mental disorders and a fluent English speaker, sufficient to give informed consent. After the study has been completed, you will be debriefed and made aware of the full research aims.
